Instruction for manuscript preparation (Potravinarstvo):

Scientific papers dealing with original results and meeting the given criteria, will be published in the scientific journal "Potravinarstvo" (1/2016). Papers will be published continuously in its issue. Journal is indexed in SCOPUS, DOAJ, EBSCO HOST and other databases. Instructions for the authors and template are available at www.potravinarstvo.com. Paper shall be written in English and formatted according to instructions. After checking it by editorial board, author will be invited to insert it into the management system of the journal. Manuscripts which do not meet the given criteria, will be published in the conference proceedings.

Instructions for preparing contributions in the Book of proceedings:

Papers must be written in Microsoft Word. Instructions and the formatted article template are available at: www.bezpecnostpotravin.sk.

NOTE: Manuscripts for the journal and Book of proceedings, which will not meet guidelines will be returned to the author for reworking. The organizers reserve the right to select the papers! Contributions should be sent only via e-mail.
